The below link is the same steps below, but it is an easy link to send to teachers

Embedding HTML code.

YouTube - inserting into Canvas

This method below will work for "UNListed" and Public YouTube Videos. Unlisted videos are like those videos on our school YouTube channel.

STEPS

1. Before you open the link in step 2, copy the HTML Embed Code from your YouTube Video. Here is how.

Click the SHARE button under the YouTube video Kwame Alexander reads The Undefeated 94,191 views • Mar 23, 2020 1 847 165 SHARE

Next click the EMBED button

Next click the COPY button

STEP 2: Here is a link to show you the steps to embed HTML code into Canvas
